The Drexel LeBow
Part-Time MBA
A rigorous, comprehensive degree program with options to fit your goals and your career

The Drexel LeBow MBA
The MBA emphasizes global perspectives and entrepreneurial thinking that are needed to help you succeed in your career path. Several part-time delivery options work with your life and career to achieve your goals.

MBA students receive career coaching that helps to chart the course of the next steps of your career.

The Part-Time Program
Accelerated or at your own pace? Philadelphia or Malvern? Choose the program with the right delivery option for you. No matter which one, you’ll get the best in academics and the full resources of Drexel and LeBow.

Choice in Electives
Dive deeper into your concentration or gain interdisciplinary perspectives through elective courses facilitated by Drexel institutes and centers focused on entrepreneurship, corporate governance, strategic leadership and reputation management.

Experiential Learning
Drexel’s reputation in experience-based education shapes the academic experience. Hands-on learning in real-world consulting, business simulations, case competitions and visits from industry leaders develop the skills and application for your academic learning.

Innovative Thinking
Whether you are launching a start-up or a member of a large corporation, innovation is an integral part of success. Through our extensive resources, programs and Drexel’s recognized experiential culture, entrepreneurial thinking and innovation management are encouraged and nurtured.
