DREXEL UNIVERSITY
LeBow
College of Business

Drexel LeBow's 45-credit *Master of Science in Accounting* is highly specialized, combining business acumen, solid understanding of analytics and rapidly-evolving accounting practices to help you lead in any organization. The STEM-designated curriculum is focused on a solid foundation of accounting principles and industry-driven concentrations, ensuring you have the business understanding, in-demand accounting expertise and data-driven decision making companies are looking for.

DEGREE HIGHLIGHTS

Located in Philadelphia's vibrant University City area, Drexel LeBow's MS in Accounting is available as a full-time, in-person program. Complete your degree in just 12 months, and you'll be prepared to lead with experience in your career.

CONCENTRATIONS

Customize your MS in Accounting with one of our industry-informed concentrations:

BUSINESS ANALYSIS, PLANNING AND REPORTING

Providing the theoretical framework, industry best practices and hands-on skills necessary to excel in a wide array of industries that need accounting expertise.

TAX ANALYSIS AND PLANNING

Supplementing the business and core accounting curriculum of an MS in Accounting degree with the Tax Analysis and Planning concentration will allow graduates to take their tax-focused career to a new level for their organization or clients.

ACCOUNTING INFORMATION SYSTEMS AND CONTROLS

This concentration hones skills for this rapidly growing area of the accounting profession, allowing graduates to be the bridge that connects accounting and IT and the go-to resource every company needs to operate at a higher level.

CAREER OUTCOMES

Upon graduation, some job titles you could be eligible for include:

- AUDITOR
- FINANCIAL ANALYST
- BUDGET ANALYST
- CORPORATE CONTROLLER
- TREASURER
- RISK MANAGER
